

Additional information:

Our setting:

All of our staff are DBS checked and are committed to safeguarding children and undertake training regularly. All staff are first-aid qualified and have undertaken Paediatric First Aid training.

Our staff are qualified and have many years experience in childcare. The club is very accessible and staff are trained to work with children who have additional needs.

Healthy snacks are provided on a morning (10am) and afternoon (3pm). Please provide your child with a water bottle and packed lunch. Fresh water is available at the setting at all times.

Please ensure that food provided does not contain nuts as we do have children attend that have severe allergies. This includes Nutella and other products.

We are happy for children across the city of York and surrounding areas to attend and accept children aged 3-12 years.

Prices and times:

We open everyday 7.30am—6pm drop-off and collection is at any point between these times.

The cost is £27.50 per child per session. We also offer a sibling rate of £25.50.
